From the Clinton (La.) Democrat.

We are informed that a melancholy suicide assigned many causes as to the whys and wherefores, that led to the committal of the the most probable:-A lad named David Stewart, aged about 18, and employed in the office of the Chronicle, had, among others, been invited to attend a party a day or two previous to the above date. His lady love, as also his rival, were present, and he conceived himself not only slighted by the one but insulted by the other. This affected his sensibility; the green-eyed monster commenced gnawing his too susceptible heart; and. brough the heart!

he appeared free from every vice. Industri- dents of some kind or other -Balt. Pat. ous in his habits, and manly in his deportment, he had endeared himself to all within the shere of his acquaintance; and it is truly gine the feelings of his fond parents, when October next .- Fayette (Miss.) Adv. the awful fact is made known to them, is impossible. We may offer sympathy to their agenized hearts, but it will be of no avail-"the mourners cannot be comforted;"-the gush ng tears of a bereaved and distracted mother will not soon be dried, and the recolec ion of her son's rash act will be indelibly stamped on her mind.

Natchez Daily Courier of Wednesday, addressed to the editor of the Woodville Republican, in which the warlike editor of the Courier say of his editorial brother at Wilkinson-"he had better be quiet or he may hope that it may prove a salmary lesson." hear "Old Saratoga" discourse thunder in Natchez had declared war agains Wilkinson such thing has been done or intended.

If Natchez have a right to a peice of artillery which it is reported was so little cared about in Woodville as to have been for years used as a corner post of a street, and now has tional, but not a Government Bank.'no better bed than the bare earth to lie upon, limbered in the mud-there will be abundant peaceful means of showing the same to but, la! its nothing when you get used to it." the honorable and high-minded citizens of progress, and the whole history of the cannon, from its youth up, will come to light. With all our partiality for Wilkinson county, and regard to her just rights-we still think the following sneer of the editor of the Re-Wilkinson county."-Free Trader.

New Orleans, August 28th, 1839.

DEAR SIR: -On the approach of a new business season, we take the liberty of ad-

We have this moment received the anticipated intelligence, by the Steamer Liver-RODNEY COTTON PRESS .- Our enterprising pool, from Liverpool, with dates to the 1st neighbors in Rodney, we learn, are going inst., and are highly gratified to state that of depression; many sales were forced at a decline of a ad, below the current rates of the previous week; but from the 12th July tolthe 1st August, a regular and constant demand for Cotton prevailed, and prices had not only recovered what had been lost between the 10th and 12th, but had gained hundred and four hogsheads of tobacco, valued at two sales for the week ending 26th July, reached 41,445 bales, and from 20th to 1st August, about the same as it was same date last year.

There are two causes that may exert a controlling influence on the price of Cotton .-1st, the continued hostility evinced by the Bank of England, with the combined influ-LOWELL FACTORY GIRLS .- It is stat d that nine ence of the Manufacturers towards all American interest, measurably produced, it is believed, from the interference by the Banks in one hunded dollars each. The amount would be the United States, in controlling the princimuch larger but that no interest is allowed on depo- pal portion of the two last crops of Cotton. uncertain state of the Corn Harvest; although the appearance of the crops was good, the weather was as unfavorable as possible, and would again be lost: in that event, there is no telling at what price Cotton would sell; and it is generally believed that money matters, cannot become easy until all anxiety. on that score, shall be set at rest, and in our opinion, the future course of the Cotton Mar- A ket depends upon it.

Under such circumstances we cannot venture an opinion as to what the probable rate R Cotton will be at in two months, hence in The Liverpool was advertised to sail from this market. The fatality attending almost B inst, the day of her sailing, the prospects of will require a large increased supply over any as to the London Money Market and possi- even 1,500,000 bales, induces us to believe remuneration for capital and labor ba sales effected in this market.

Up to the present date the receipt of new Cotton has been limited to 100 or 200 bales, I Lyman Rathbun, formerly of the house of "Rath-bune" of Buffalo, New York, who died in the City cents,—and we now think a good demand obtain a fair average price, which is frequently missed by an attempt to hold their entire crop for any given time.
